

Speaking Part 1 Interview

1a Look at the following candidate responses to Part 1 questions and come up with the questions they might have been responding to.

a "I'm studying."

b "Cycling and going to the cinema."

c "The parks."

d "Very important."

e "Grammar."

1b How could the candidate responses in Exercise 1a be improved?

1c Work with your partner. Interview each other using the questions you came up with in Exercise 1a. Extend your answers while making sure all content is relevant to the questions.

2 Watch two students, Mario and Sofia, doing Part 1 of the Speaking paper and complete the following sentences.

a I'm _____ Rome, the capital of Italy, but a few years ago I _____ to a town on the coast.

b I _____ Jerez, in _____ Spain. It's a beautiful town and very popular with tourists.

c I'm _____ a degree in Engineering, and right now I'm _____ a construction firm.

d _____ I wanted to be an engineer, I knew I _____ do it without English, so _____.

e It's an _____, as lots of Engineering journals are in English.

3 Watch the video again. How well do Mario and Sofia extend their answers? Discuss your ideas with your partner providing examples to support your opinions.

Don't forget!

Remember to appropriately extend your answers with additional information.
