a 2 Possible answers:

1 There are many twins and triplets in the school.

2 The festival takes place once a year, and twins come from all over the world to celebrate.

3 People have more twins in Igbo Ora than anywhere in Nigeria and possibly the world.

b 1 F (There are 10 sets of twins and one set of triplets.)

2 F (The video doesn't mention this.) 3 T 4 T

5 F (Local people believe this, but scientists think it's because of their genes.)

c Possible answers:

1 The best thing about having so many multiples in the same year is the students are in a group and there's a feeling of sisterhood or brotherhood.

2 We're very similar, but she is more creative and helps me with art projects.

3 Being twins is awesome because you're automatically born with a best friend.

4 My mother thought I was Jack and not Jon, so I had to show her my driver's license.

5 We have the highest number of twin births in Nigeria, if not the world.
