2 Read Jozef's postcard. What is he doing at the moment?

Postcard

Hi Grandma,

I'm having a great time here in Greece. We're staying in a big hotel and it isn't expensive. All the people here are very nice. There's a beautiful beach and also a swimming pool. You can swim every day because the water is always warm. There are lots of good cafés and restaurants here. You can get very nice food, and it's cheap, too. It's hot and sunny today. I'm sitting on the beach at the moment and I'm eating an ice cream!

Love,
Jozef
