Section 5: Reading Part A**Read the blog post. Then choose the correct answer to each question.****From Big House to Tiny Home**

By Sarah Han

My best friend has a very large house. It's beautiful. She lives with her husband. They don't have children. She and her husband are both doctors, and they work at the hospital. They also have two home offices. Their offices are on the first floor of the house, with a living room, a dining room, and a large kitchen. The dining room has a table and chairs for 12 people and a nice rug. The living room has five chairs, a gorgeous rug, and three sofas. The kitchen is big enough for a chef. Upstairs, there are four bedrooms and four bathrooms. It is a very expensive house!

But my tiny house was not expensive at all. I live with my daughter, so there are just two of us. Our house doesn't have a garage. The places we go are nearby, so we don't need a car. In one room, we have our living room, dining room, and kitchen. I think the biggest thing in our kitchen is the sink! In our small bathroom, we have a tiny toilet, a shower, and a nice mirror. Up high, on both sides of our house, we have a small space upstairs. It's called a loft. It's like a balcony, but inside instead of outside. One loft is my bedroom, and the other loft is my daughter's bedroom. We just have beds in our bedrooms.

My friend and I have very different tastes in houses. But we both love our homes!

Every week, *Soccer Talk* interviews some of the athletes preparing for big games. Read the interview with player Seth Holmes.

ST: I'm talking today with Seth Holmes. Seth is preparing for his championship soccer game this Saturday. Seth, where are you from?

SH: I'm from Dallas.

ST: Really? Welcome! So, you're visiting Chicago this week just for the game?

SH: Well, that's the main reason. But I'm also going shopping and visiting all the museums. I love Chicago!

ST: Wow! That's great! So, tell me ... how are you preparing for Saturday?

SH: For one thing, sleep is very important. So, I'm going to bed early. I eat a good breakfast every day, and then I go running.

ST: So, are you eating a lot?

SH: I usually eat a lot for breakfast and lunch. I'm eating just a little in the evening. That works for me.

ST: Are you doing any other kinds of exercise?

SH: Of course. I'm training with my team! We play soccer. We also go running and bike riding. And when we're not running or bike riding, we go shopping or visiting places.

ST: So, are you doing anything special today?

SH: Well, if it's not too cool, we're going hiking.

ST: Well, the weather sure is nice this week. That's good for hiking!

SH: Yes. It's good training.

ST: Seth, we wish you the best this Saturday!

SH: Thank you!
