A Smart Home

We talked to twenty families about when they clean their house and do other household chores. Everyone said they don't have time to clean on workdays, and they don't want to clean on weekends! Families want to go to the movies, visit friends, exercise, watch TV, or go out to dinner on the weekends. So, what can we do about it? How can we get the chores done and have free time, too?

Enter Smart Home Central. Now you can control your smart home from your phone. When you get up in the morning, Smart Home Central will turn on the lights, open the windows, and even read you the news while you take a shower. From your phone, you can turn on your robot vacuum anytime, even if you aren't home. There are even robot vacuums that are also mops, so they clean your floors after they vacuum!

You can receive messages from your refrigerator when you need different foods, and Smart Home Central will make the shopping list for you. It can even go shopping for you online! So, if you want groceries when you get home from work, Smart Home Central can do it for you! If you don't have time to make dinner, just say what you want to eat. Smart Home Central will find a nearby restaurant that's open, order dinner online, pay for it, and have it ready for when you come home in the evening. Smart Home Central can even turn off the lights for you when it's time to go to bed. So, what are you waiting for? Let Smart Home Central simplify your life today!
