Two Sisters' Houses

Beth and Gwen are sisters. They live in the same neighborhood, but in very different houses.

Beth is 35 years old, and she lives in a large apartment with her husband and three children, from ages 2 to 7. Their apartment has two floors, and there are four bedrooms—three on the second floor and one on the first. The apartment has three bathrooms. In the kitchen, there's a large refrigerator and a large stove. There's a large living room with two sofas, a desk, and three chairs. Beth loves the large apartment for her big family.

Gwen is 38 years old, and she lives in a small house. She doesn't have a husband or children, so she doesn't need a lot of rooms. The house has one floor. It has four rooms: a bedroom, a kitchen, a bathroom, and one room that is Gwen's living room, dining room, and office. She doesn't have a desk, so she works at the dining room table or on the sofa. Gwen's house has a garage, but she doesn't have a car. She sometimes works in the garage.
