

Photocopiable activities

Introduction

- There is a **Grammar activity** for each main (A and B) lesson of the Student Book.
- There is a **Communicative activity** for each main (A and B) lesson and the six Practical English lessons of the Student Book.
- There is a **Vocabulary activity** for each section of the Vocabulary Bank in the Student Book.

All the photocopiable materials are also available on **Oxford English Hub** (englishhub.oup.com) under the Resources tab.

Using extra activities in mixed ability classes

Some teachers have classes with a very wide range of levels, and where some Sts finish Student Book activities much more quickly than others. You could give these fast finishers a photocopiable activity (Grammar, Vocabulary, or Communicative) while you help the slower Sts. Alternatively, some teachers might want to give faster Sts extra oral practice with a communicative activity while slower Sts consolidate their knowledge with an extra grammar activity.

Tips for using Grammar activities

- The grammar activities are designed to give Sts extra practice in the main grammar points from each lesson. How you use these activities depends on the needs of your Sts and the time available. They can be used in the lesson if you think all of your class would benefit from the extra practice or you could set them as homework for some or all of your Sts.
- Before using the worksheets in class, check for any vocabulary that may be either new or difficult for your Sts.
- All of the activities start with a writing stage. If you use the activities in class, get Sts to work individually or in pairs. Allow Sts to compare before checking answers.
- If Sts are having trouble with any of the activities, make sure they refer to the relevant Grammar Bank in the Student Book.
- All of the activities have an **Activation** section. Some of them have a task that gets Sts to cover the sentences and test their memory. If you are using the activities in class, Sts can work in pairs and test their partner. If you set them for homework, encourage Sts to use this stage to test themselves. Alternatively, you could set the main activity for homework and then get Sts to do the **Activation** at the start of the next class.
- Make sure that Sts keep their worksheets and that they review any difficult areas regularly. Encourage them to go back to activities and cover and test themselves.

Tips for using Communicative activities

- Before using the worksheets in class, check for any vocabulary that may be either new or difficult for your Sts.
- We have suggested the ideal number of copies for each activity. However, you can often manage with fewer, e.g. one worksheet per pair instead of one per student.
- When Sts are working in pairs, if possible get them to sit face to face. This will encourage them to really talk to each other and also means they can't see each other's worksheet.
- If your class doesn't divide into pairs or groups, take part yourself, get two Sts to share one role, or get one student to monitor, help, and correct.
- If some Sts finish early, they can swap roles and do the activity again, or you could get them to write some of the sentences from the activity.

Tips for using Vocabulary activities

- These worksheets are intended to recycle and consolidate Sts' understanding of the vocabulary in the Student Book Vocabulary Banks. As such, we suggest not using them directly after doing these exercises. Instead, get Sts to do them in a subsequent lesson.
- If Sts are having trouble with any of the activities, make sure they refer to the relevant Vocabulary Bank page.
- You could ask Sts to check their answers by referring to the relevant Student Book Vocabulary Bank page.
- All the activities are suitable for use in class. However, you may wish to set some of the tasks for homework.
- Most of the Vocabulary worksheets have an **Activation** task and this can be treated in a similar way to the Grammar ones.
- Make sure that Sts keep their worksheets and that they review any difficult areas regularly. Encourage them to go back to activities and cover and test themselves.
