How to use Skills Confidence and Exam Confidence

Go to **My Courses** on Oxford English Hub. Select your course's Skills Confidence and Exam Confidence to open it.

OPENING AN ACTIVITY

To find and open an activity:

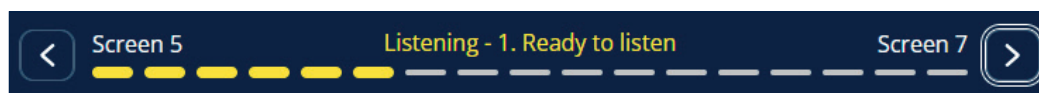

1. Select **Contents** to see the units in your course.
2. Select a **Skill** to see all lessons in that unit.
3. Select a **Lesson** to open it and to see activities in that lesson.

MOVING BETWEEN ACTIVITIES

Use the arrows to move from one activity to another. Each screen shows a different activity.

The yellow bars show your progress through your course materials.

LISTENING TO AUDIO

You can listen to audio in your course materials.

Use the following options in the audio player:

1. Select **Play** to start audio. You can also **Pause** audio.
2. Select the **volume** icon to change the audio level.

You can also listen to audio whenever you see a **Play** icon  in your course materials.

RECORDING AUDIO

You can practise your pronunciation and speaking by recording audio.

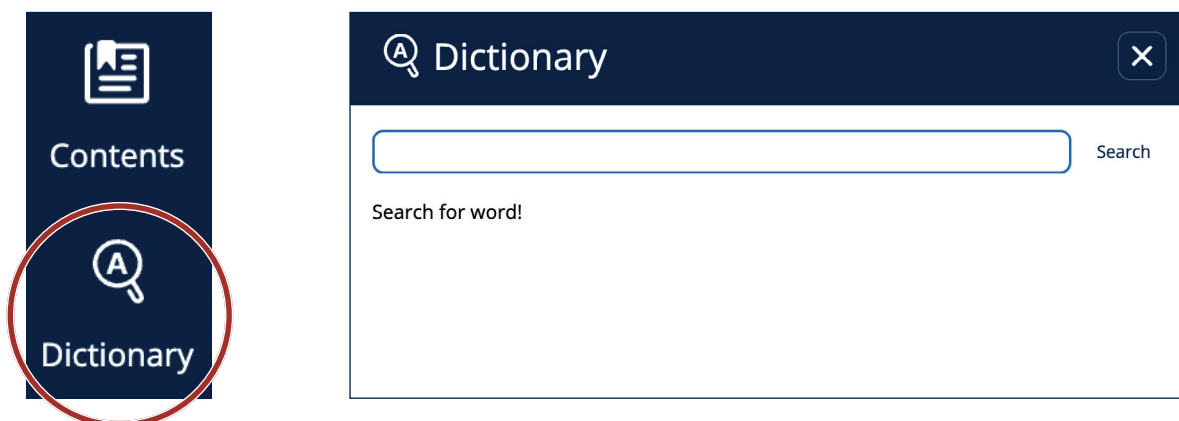

When you see a **Record** icon , you can select that icon to record your voice.

 You'll need to give access to your device's microphone.

SEARCHING FOR A WORD IN THE DICTIONARY

To check the meaning and pronunciation of a word, select the **Dictionary** from the menu. A new window will open.

Use the search box to find a word in the Oxford Learner's Dictionary.

Completing activities

Follow the instructions on screen to complete activities.

1. Select **Clear** to clear all answers to the activity on screen.
2. After you complete the activity, select **Submit** to check your answers.

 Clear Submit

Your answers are automatically submitted to the gradebook in Oxford English Hub.

You have **two** chances to answer activities. Your scores are automatically sent to the gradebook in Oxford English Hub. You will get a warning before your last chance to submit answers.

After you submit your answers, you'll see how many questions you answered correctly in a new window. Select **Review answers** to close this window.
