

Student A

- a** Complete the **bold** sentences in a natural way using a verb phrase.
- 1 **Liam's really late. He may have _____.**
 - 2 You can't have finished that book. You only started it yesterday and it's got over 600 pages!
 - 3 **Maria looks so tired. She can't have _____ last night.**
 - 4 You should have come with us last night. We had a great time!
 - 5 **Ellie usually rings me on my birthday, but this year she didn't. She must have _____.**
 - 6 I don't have my wallet with me! I must have left it at home.
 - 7 **My neighbour's just bought a really expensive new car. She might have _____!**
 - 8 It's your own fault you got sunburnt! You ought to have put on sunscreen.
 - 9 **Have you seen Fatima's huge engagement ring? It must have _____!**
 - 10 They can't have gone out. Their car's outside.
 - 11 **I've got a stomach ache. I shouldn't have _____.**
 - 12 Michelle isn't in her office. She may have gone home. She wasn't feeling very well.
- b** Read sentence 1 to **B**, who has the completed sentence. If you say what **B** has, they will say *That's right*, if not, they will say *Try again*. You can have another two tries. If none of your endings are what **B** has, **B** will tell you their ending.
- c** Now listen to **B** invent an ending for sentence 2. If it is the same as what you have, say *That's right*, if not, say *Try again*. **B** can have another two tries. If none of **B**'s endings are what you have, tell **B** your ending.

Student B

- a** Complete the **bold** sentences in a natural way using a verb phrase.
- 1 Liam's really late. He may have got lost.
 - 2 **You can't have _____ . You only started it yesterday and it's got over 600 pages!**
