# Happy Street

## American English

*Happy Street* is specially designed for children starting English in primary school. Together with songs, chants, games and listening activities, *Happy Street 1* offers an accessible introduction to reading and writing, and is suitable for use either as the children's first contact with English or after a starter course, such as *Happy House*.

### *For the student:*

- The ***Student Book*** features dynamic songs, chants and stories to present new language, an adventure story to capture children's imagination and make practice more engaging, and a rich variety of material for extended reading.
- The ***Activity Book*** offers many consolidating activities for listening, writing, pronunciation and vocabulary, along with clear models for personalization. By answering Quizzy's Questions, students become aware of their own learning.
- A ***MultiROM*** features vocabulary review games, songs to replay at home and activities formatted in the style of Young Learners' Exams.
- ***Website:*** www.oup.com/elt/happyamerican

### *For the teacher:*

- The ***Teacher's Book*** provides full, clear teaching notes, suggestions for further activities, and 3 photocopiable tests.
- 2 ***Class Audio CDs*** contain all the songs, chants, stories and listening activities from the Student Book and Activity Book and listening material for the Teacher's Book tests.
- ***Teacher's Resource Pack*** for Happy Street 1 and 2 containing a poster and photocopiable materials for each level and 64 color flashcards.

## *Happy* at all levels of Primary!
