Happy Street

American English

Happy Street is specially designed for children starting English in primary school. Together with songs, chants, games and listening activities, *Happy Street 1* offers an accessible introduction to reading and writing, and is suitable for use either as the children's first contact with English or after a starter course, such as *Happy House*. Combined with the upper levels of *Happy World* and *Happy Earth*, it can provide an articulated six-to-eight level course.

Happy Street 1 offers...

For the student:

- The **Student Book** features dynamic songs, chants and stories to present new language, an adventure story to capture children's imagination and make practice more engaging, and a rich variety of material for extended reading.
- The **Activity Book** offers many consolidating activities for listening, writing, pronunciation and vocabulary, along with clear models for personalization. By answering Quizzy's Questions, students become aware of their own learning.
- A **MultiROM** features vocabulary review games, songs to replay at home and activities formatted in the style of Young Learners' Exams.
- **Website:** www.oup.com/elt/happyamerican

For the teacher:

- The **Teacher's Book** provides full, clear teaching notes, suggestions for further activities, and 3 photocopiable tests.
- 2 **Class Audio CDs** contain all the songs, chants, stories and listening activities from the Student Book and Activity Book and listening material for the Teacher's Book tests.
- **Teacher's Resource Pack** for Happy Street 1 and 2 containing a poster and photocopiable materials for each level and 64 color flashcards.
