

'I wish we hadn't come here!'

Zoe Urgh! This hotel is horrible! I wish we (1) _____
(**not come**) here. I've never seen such a dirty
place in my life! It (2) _____ (**not be**) so bad
if the bathroom (3) _____ (**be**) clean, but it
(4) _____ (**be**) filthy. I (5) _____ (**not**
even wash) my socks in it.

Will I know, but we'd been driving for hours and I
(6) _____ (**want**) to stop. If we (7)
_____, there mightn't have been another
hotel for miles, and we (8) _____ (**still drive**).

Zoe I wish we (9) _____ (**set off**) earlier, so we
(10) _____ (**get**) to Cornwall today.
We (11) _____ (**not get**) there till tomorrow
lunchtime now. I told you we'd need to leave in the
morning, but you (12) _____ (**not listen**)!

Will I had to finish some important work this morning.
If I (13) _____, we (14) _____
(**can leave**) earlier. Then we (15) _____ (**sit**)
in a nice hotel on the coast instead of this dump in
the middle of nowhere.

Zoe Anyway, it's time we (16) **(have)** something to eat. If it (17) **(not be)** so late, I (18) **(suggest)** looking for a pub that does food, but I guess we (19) **(have to)** eat here. I wish we (20) – it (21) **(be)** awful, I'm sure.

Will Oh, I wish you (22) **(stop)** moaning!

Zoe OK, I'm sorry. I guess we're both tired. Come on, let's start enjoying the weekend!
