Victoria's sister, Louise, has a fashion boutique and Brooklyn works there on Saturdays. Romeo is a fashion model for Burberry. They're a rich family – they have four houses, in London, California, Dubai and the South of France, but they are a 'normal' family too – they like family time at home. I'm Polish and my wife is Italian so in our home we speak three languages, Polish, Italian and English. We usually speak English because I don't speak Italian very well! We eat a lot of Italian food and I like French wine and I love an English cup of tea. I don't like beer, but all my English friends love it! I don't like sports very much but I love football, Danek and I are big Bristol Rovers fans. I want to be a famous dancer one day, with my wife, of course!

7.9 An email from Dubai

Hi Dom,

I'm on holiday in Dubai this month. Our hotel is fantastic – really new and comfortable, and really near the Burj Al Arab. I'm here with my best friend, Helen. She's really nice and funny.

The food is international and delicious. I like all the restaurants at the hotel, but the Indian restaurant is my favourite. It's wonderful!

Dubai is an interesting place – very modern. It's really hot – too hot to walk – we always travel by car. All the buildings are so big and tall. The Burj Khalifa has 163 floors! The view is amazing – you can see all

the way to the sand of the desert. The shops are great, but very expensive.

There are no green parks, but there are lovely golden beaches, and we love swimming here.

This is a super holiday. It's great in Dubai!

See you soon.

Love

Louise

8.10 Cape Town, South Africa

'Best place to visit in the world!' *The New York Times*

Why? Wonderful views, fabulous beaches, friendly people and a cosmopolitan culture. It is the number one place to visit!

Where is it?

Cape Town is on the south-west coast of South Africa, below the famous and spectacular Table Mountain, named one of the Seven Wonders of Nature.

When to go

It is always a good time to visit Cape Town. The weather is warm and sunny most of the year. The best time for a beach holiday is at Christmas!

What to do

Walk up the amazing Table Mountain, sunbathe on the fabulous, sandy beaches and swim with the friendly penguins. Visit the excellent vineyards and drink some of the best wine in the world. Go shopping at the Victoria and Albert Waterfront – it's fantastic! For exciting nightlife, the city also has bars, clubs, cinemas and theatres. Cape Town is a lot of fun!

Where to eat

Cape Town is a cosmopolitan city. There are Italian, Turkish, Japanese, Indian and French restaurants, and many more! It is by the sea, so there is a lot of delicious fresh seafood. Also, because of the lovely weather, there is a lot of fresh fruit and vegetables too, so the restaurants have the best ingredients. South Africans love their food.

Where to stay

There are cheap hotels near the airport, but for a really cheap holiday, stay at one of Cape Town's excellent campsites. The weather is warm, so a night

in a tent is fun! For a five-star holiday, stay at one of the expensive but very comfortable hotels on the Waterfront. They have wonderful views.

How to travel

You don't need a car in Cape Town. The Myciti buses are new and fast and go everywhere. There is also the Metrorail train, but this is slow and sometimes late. Take the ferry to the famous Robben Island for a really exciting day.

8.11 My home town

Hi! My name's Ben, and I live in Cape Town. I'm a DJ at a local radio station in the centre of the city, but I live near Boulders Beach – one of the best beaches in Cape Town. I have a small apartment near there. Cape Town is an amazing city. It's really cosmopolitan. People from all over the world live and work here. Every Friday after work I meet my friends at the Waterfront, and we go to one of the restaurants there. We often have seafood – it's my favourite. I just love fresh seafood.

The weather's great, it's warm nearly all year round. I know it's sometimes windy – and some people don't like the wind – but I love it because I love kitesurfing!

My job's really exciting, but sport is my passion. I love sport! And Cape Town is good for so many sports because of the weather. I run every weekend with my dog, Oscar. I'm a member of the Sumner Running Club. We have the Boulders Beach 10 km run next Sunday. It's a great run with amazing views. In the summer, when it's windy, I go kitesurfing with my brother, Pete. It's fantastic fun. I sometimes go cycling with my friends, Kerry and Roger on Sunday. We often cycle by the sea and watch the penguins.

Cape Town is just a beautiful place – great scenery, great weather and great food. I'm very lucky!

9.14 The Lottery ticket

Oh no! What bad luck!!

Last Saturday, Tina Green, a 56-year-old grandmother from Cambridge in England, went to her local newsagent's and bought a lottery ticket for £2. She was very excited because this week the jackpot was £35 million!

Every Saturday Tina plays the same numbers, and she always puts her ticket in her bag. But this Saturday she had her small grandson, Billy, with her. 'He was a little monkey!', said Tina. 'He ran round the shop and made a lot of noise.' She was so busy with him that she put the ticket in the back pocket of her jeans.

The lottery is on TV every Saturday evening, and Tina loves watching it. 'It's really exciting. I love listening for my numbers – they're my lucky numbers, – er ... well ... they were my lucky numbers!'

Last Saturday, Tina made a cup of tea and sat on the sofa to watch the lottery. One by one, she saw her

numbers on the TV She was amazed – all the numbers were on her ticket. She was very excited, and she went to find the ticket in her bag, but the ticket wasn't there. It was in her jeans' pocket, and her jeans were in the washing machine. Her jeans were clean and so was the ticket! There were no numbers on it. No numbers – no £35 million!

10 We had a good time!

10.1 Yesterday was Sunday

Kristin: Yesterday I got up really late – about 10 o'clock. I had breakfast in bed – just orange juice, tea and toast – and I listened to music. I love doing this on Sunday. It was a beautiful morning, so I called my friend Max – he lives near me – and we went for walk in the park with his dog. Then we met some friends for coffee at a local cafe. It started to rain, so I invited my friends to my flat. I cooked a meal for them, just roast chicken and salad, and we stayed at home for the rest of the afternoon and watched a film. My friends left about 6 o'clock and I cleaned my flat and then went to bed early. I took my laptop to bed and did some work. I like working in bed because it's warm and comfortable, but I often fall asleep.

What can't you do on your smartphone? Not much!

The history

Was there ever a world with no smartphones? Well, yes there was! IBM made the first smartphone in 1993. It was big and heavy. It also cost an amazing \$899! The first Blackberry went on sale in 2002. Tens of millions of people used the Blackberry. It sent emails and 'surfed' the net. In 2007 Apple's first iPhone arrived in the shops and it was very popular.

Student's Book Audioscript

Today Samsung sells the most smartphones worldwide.

Now more people in the world have mobile phones than have toilets, and we use our smartphones more than 110 times a day!

Hundreds of uses

Of course, you can text friends, send emails and take photos and videos with your phone, but we use our phones for so much more. Our phones can open and lock our front doors, and a satnav app can give us directions when we're lost! There's an app that tells us how healthy we are and there's even an app that tells us how well we sleep. We can ask our phone what song is on the radio, we can play chess with a friend thousands of miles away and we can Skype our family when we're not at home. The smartphone is a really important part of our lives. We can't live without it!

11.9

What do you do on your smartphone?

Keith, age 73 I play Scrabble with my son on my phone, I love it! I live in Scotland and my son lives in London. Playing Scrabble makes us feel nearby. We usually play in the evening after he finishes work. It's the best part of my day. I usually win! I had an eight-letter word yesterday and got eighty-two points!

Maddie, age 34 I'm a journalist - I work for the BBC. I travel a lot and take photos and videos of news events around the world on my phone and send them back to the BBC in London. It's amazing that I can send a video from Mumbai in India and it's on the 6 o'clock news! I use my phone 24/7, because news is 24/7!

Antonio, age 21 I'm Italian but I live and work in London at the moment. I miss my family so my phone is very important to me. Most evenings, when I finish work, I phone home. It's wonderful - I use FaceTime to see and speak to my family so I don't feel so sad. I can even see my dog, Clara. I speak to her and she knows my voice.

Kylie, age 17 The main thing I use my phone for is to message my friends. We text all the time, about everything in our lives, big and small. I often go on Facebook too - it's a great way to get everybody's news and we can share all our photos. Yesterday, we posted photos from this amazing party we went to last weekend. It was wild!

Josh, age 8 My mum and dad say I can use my phone after school and homework, and sometimes at the weekend. Mostly I play games on it with my friends. My favourite game is *Flappy Birds*. It's great fun I love it! We have big competitions - I win a lot, not always of course, but most times.

Taylor, age 42 I work for a large global company. I work long hours and I travel a lot. My phone is very important for work - I can arrange meetings and talk to clients when I'm on the train. And I send and receive emails. But every weekend, when I can, I turn my phone off and just spend time with my wife and two young daughters. My job is important to me, but my family is too.

12.11 Meal times around the world

Narrator Food we like

Three people from different parts of the world describe what they eat every day.

Scott Morgan

Age 35

Lives – Bondi Beach, Australia

Works – At the University of Sydney

Scott

Australians usually eat a big breakfast. We like sausages, bacon and eggs and lots of Vegemite on

toast! At 12.00 I have lunch. I usually just have a sandwich because I'm so busy. I'd like to eat in the university canteen more often – it has lots of different types of food from Thai curries to Mexican burritos.

In the evening and at the weekend we have BBQs. The weather is good in Australia and in the summer we cook a lot of our food outside. I like doing the cooking when we have a BBQ. My children love hamburgers, and kebabs and I do too! My wife doesn't like red meat but she loves chicken and fish. I always drink a nice cold beer with my burger. Then we go for a walk on the beach. Perfect!

Narrator Min Jun Gang

Age 26

Lives – Seoul, South Korea

Works – Samsung Electronics

Min Jun

I get up early, at 6 o'clock, so I usually just drink a cup of tisane. We drink a lot of herbal tea in South Korea and tisanes are my favourite, they are very healthy.

I take the subway to work and eat an apple on the train. I always have an early lunch, usually around 11.30. I like kimbap, this is egg, ham or fish and vegetables in rice and seaweed. It's very good. Samsung has an excellent gym and I like going there after work. I'd like to go more often but I'm always very tired and hungry at the end of a long day.

In the evening I visit my mother. She likes cooking for me. She makes jjigae and kimchi, this is stew and cabbage with rice.

Narrator Hanna Varga

Age 42

Lives – Budapest, Hungary

Works – In a hotel

Hannah

For Hungarian people, breakfast is a big meal. We think it is important to eat a good meal at the start of the day. My family has bread, sausage, cheese and peppers or tomatoes. Sometimes we eat bread and butter with jam or honey, and we drink tea or cocoa.

I like riding my bike to work. Budapest is a beautiful city and it's a lovely start to my day. I'm a receptionist at a busy hotel in the city centre. I don't have time for lunch. I have a snack at about 2.00, usually a cheese and salami sandwich and a strong cup of coffee. I sometimes have some rétes too - a delicious strudel with fruit.

In the evening we have dinner at 8.00 - goulash or chicken paprikash and potatoes are our favourites. I'd like to go for a run in the evening but I'm too tired and too busy. Maybe one day when I have more time!
