Stylend

If you spent £1,500 on that designer dress for a very special occasion, when would you ever wear it again? Would it spend the rest of its life in your wardrobe? On Stylend's site, women can see photos of other women's expensive clothes, which they can hire just for the day or evening.

TaskRabbit

TaskRabbit is an easy way to hire people to do jobs around the house for you. 'Taskrabbits' register with the company, and can bid to do jobs that people have posted on the website. Users could go for the lowest price, or rely on how other users have rated someone's work.

JustPark

JustPark makes it easy to profit from the parking space in front of your house by renting it to visitors to your area. Drivers can use it regularly if they have to drive to work, or occasionally if they need a cheaper option to park near hospitals, airports, etc.
