

# Writing a postcard

Hi Joshua!

Greetings from France! We're having a nice time in the Alps, near Mont Blanc. We're not skiing, obviously, we're hiking. The mountains are nice at this time of year. There are lots of nice wild flowers.

Hope you enjoy getting a postcard! We had lunch in this nice restaurant today, and we wanted to send this postcard because the picture on it is so nice.

The weather is nice, so the view really was nice!

The food was really nice too – Lucas had steak and said the French fries were nice – worth climbing a mountain for! My 'Grandmother's roast chicken', was nice, but the chocolate 'Dome' with spiced caramel sauce was truly nice! Sorry – I'm obviously hungry again after an afternoon hiking!

See you soon,

Love,

Ruby and Lucas
