Phonics 1

Three levels of **LET'S GO** Phonics teach

- the **letters** of the alphabet
- the **sounds** letters make
- the **words** that use these sounds
- a lot of **new vocabulary**

Every unit has the same ready-to-teach sections:

- **Let's Learn:** Hear the sounds on audio CD, say them, and see them written and illustrated in the book.
- **Let's Practice:** Practice the sounds with writing and listening activities. Use the words that model the sounds to teach extra vocabulary.
- **Let's Choose:** Recognize the difference between similar sounds.
- **Let's Read:** Practice the letters, sounds, and words in context.
- **Review Units:** Review and assess progress.

Sounds easy!

Looks fun!

★ Hundreds of **color pictures** model the sounds and words

★ Lots of **different activities** for different types of practice
