# Magic Time

2nd Edition

The **NEW** edition of the bestselling two-level kindergarten and early elementary English course!

**Magic Time** uses large, humorous scenes to develop speaking, listening, and pre-writing skills.

- The learning activities and games appeal to students' playful energy through colorful art, music and movement.
- The syllabus progresses at a natural, steady pace and offers students many opportunities to practice new language.
- **NEW** Talk Time pages and a **Student's Songs and Chants CD** offer even more communication opportunities.

Use *Magic Time* on its own or combine it with *English Time* to create an engaging eight-level course.

Authors Kathleen Kampa and Charles Vilina are specialists in music and movement, and communicative activities that appeal to different learning styles.

**"Magic Time offers every child the opportunity to learn English successfully – and enjoy it!"**
