Objective Key Second edition is an updated and revised edition of *Objective KET*. It is official preparation for *Cambridge English: Key*, also known as *Key English Test (KET)*.

Short units for tangible progress offer a variety of lively topics for younger students while providing thorough training in exam skills and solid language development.

The Workbook with answers provides ample opportunity for further practice of new language and skills either at home or in the classroom.

Key features of the *Objective Key* course:

- 'Key words' sections, informed by English Profile, highlight the words and meanings students require to communicate at A2 level.
- 'Key speaking' sections focus on useful phrases for the Speaking Paper.
- A student's CD-ROM provides activities and games for practice of the target language.
- 'Spelling Spots' and 'Grammar Extra' boxes, informed by the Cambridge English Corpus, provide help with language points that Key students can find difficult.
- Regular Exam Folders provide systematic exam preparation and practice, covering each paper in detail.
- Writing Folders every two units develop writing skills and practise exam technique.
- Grammar and Vocabulary Folders provide easy reference material with exercises to consolidate learning.

CAMBRIDGE ENGLISH CORPUS

The Cambridge English Corpus is a multi-billion word collection of written and spoken English. It includes the Cambridge Learner Corpus, a unique bank of exam candidate papers.

Our authors study the Corpus to see how English is really used, and to identify typical learner mistakes. This means that Cambridge materials help students to avoid mistakes, and you can be confident the language taught is useful, natural and fully up to date.
