A a

Annie Ant

A c t i v i t i e s

Color the letter a. Say the "a" sound.

Say the words. Trace the line to help Annie find the ax.

ant

ax

B b

Benny Bear

Phonics for Kids 1

Phonics for Kids is a six-level series specially written for young children. Each unit deals with one letter sound or a phonic feature. It begins with an interesting story or a rhyme and is followed by a song and some fun activities. Useful phonics skills are taught in a systemic and enjoyable way.

Teaching phonics is an effective strategy that helps children learn reading and writing quickly. It is also a useful self-help tool for children to rely on when they encounter new words in listening, speaking, reading and spelling activities.

Learning phonics at an early age helps children develop both phonemic and print awareness. It is key to their future success in learning English.

The series includes:

- Student's Books 1-6
- Teacher's Guides 1-6
- Cassette Tapes and CDs 1-6
- Big Books 1-6
- Phonics Cards 1-6
