## ENGLISH SERIES FOR CHILDREN

*English Series for Children* is a set of 18 exciting workbooks which helps your child get started with learning English as a foreign language. It is designed for children 6 - 11 and can be used at home or at school from kindergarten through fifth grade.

## FUN WITH ENGLISH

*Learning should be fun ! Especially if your child is going to learn a foreign language you should make the temptation irresistible ! The Fun with English books are the first three books of the English Series for Children . They focus on basic skills of listening and speaking along with teaching a number of words , colors , numbers and a complete coverage of the English alphabet. The worksheets are specifically designed for children of ages 6 and 7 with no prior knowledge of English and cover a range of different attractive activities to keep them eager and interested. Let's have the right start !*
