LET'S GO

Let's Go Starter is the introductory level to the *Let's Go* series, a course for children beginning their studies of English. The *Starter* level presents the alphabet, basic phonics, and simple language structures to preschool and kindergarten children. Each two-page lesson focuses on a letter of the alphabet and an expression or dialogue, and uses songs and chants by Carolyn Graham. Classroom interaction in English is encouraged from the very beginning through a focus on question and answer forms, pairwork, and communicative games.

The *Starter* level consists of a **Student Book**, an interleaved **Teacher's Book**, a **Workbook**, and a **Cassette**. Also available are **Wall Charts**, an **Audio CD**, **Student Cards**, and full-sized **Teacher's Cards**.
