Activity

Group work: guessing game

Aim

To practise producing English vowels and review vocabulary from Unit 2

Pronunciation

Vowel sounds

Preparation

Make one copy of the worksheet for each group of four to six students, enlarged to A3 if possible. Find a coin and counters for each group.

Time

20–25 minutes

Lesson link

Unit 2, page 28

Teaching notes

Procedure

- › Organise the students into groups of four to six.
- › Show the students the worksheet by holding it up or projecting it. Explain that each box has a word they must guess. The correct answer must contain the vowel sound. Note that most of the words come from the vocabulary sections of Unit 2.
- › Give each group one copy of the worksheet. Each group will need a coin as well as a counter for each member.
- › The first player flips a coin. If it is tails, they move two squares, for heads, only one square. The player guesses the word in the square. If unsuccessful, the player goes back to their original square.
- › If a player lands on a square whose word has already been guessed correctly, that player has to think of a different word with the same vowel sound.
- › Circulate and check the students have given the correct answer and produced the vowel sound clearly. Make a note of any troublesome sounds for future reference. This will help you anticipate which new words students are likely to struggle with in later units of *Ready for B2 First*.
