

### ■ Aims of the DVD and worksheets

- to raise your awareness of the IELTS Speaking test
- to focus your attention on techniques that will improve your performance
- to provide opportunities for you to practise the language used in the different parts of the test.

*Please note:*

The DVD and worksheets are not intended as a forum for discussing grades. Although in certain questions we are asking you to look at the candidates' performance, it is with a view to improving your own performance and not for you to grade the candidates on the DVD.

The IELTS Speaking test on the DVD has been produced for teaching purposes only and is not a live exam. There are, therefore, no grades available.
