

This worksheet is based on the beginning of Part 1 of the KET Speaking test.

■ Task One: Asking questions

In this part of the test the examiner asks Raffaella and Berik some questions about themselves.

Watch the DVD and listen to the examiner.

DVD

1. The examiner asks Berik three questions. What is the first question?

And _____, Berik?

This is how you ask about someone's country. There are two ways to say where you are from. You can say: 'I'm from (country)' or you can say: 'I come from (country).'

2. Can you say the name of your country or city in English? In pairs, ask your partner the examiner's question above and give your answer.

3. Berik says that he is from Kazakhstan. What does the examiner ask next?

And _____ in Kazakhstan?

4. Berik works in Kazakhstan. What does he reply?

_____.

5. Then the examiner asks Berik another question. What does she say?

And _____?

■ Task Two: Talking about work

In the KET Speaking test, the examiner asks you about your work or studies.

DVD

1. Watch the DVD. Raffaella gives a very good answer about her work. Listen to what she says. Can you talk about your job or your studies?

In pairs, try to say three different things about your work or studies. For example, say where you work, what you do and if you like it. Here are some examples to help you:

I work in a computer shop. I am a shop assistant. I like it very much.

Now write about your work or studies.

2. How can you answer the question 'Do you like your work? / Do you like it?' Write your answer here.

3. Ask two students about their work or studies. Write down what they tell you.

Here are some questions to help you:

1. Do you work or study?

Example answers: I study at college/university. / I work in an office.

2. Where do you work? / Where do you study?

3. What do you do? / What do you study?

4. Do you like it?

4.		

■ Task Three: Talking about studying

If you are at school or college, the examiner will ask you about studying.

1. Do you know the names in English of the subjects you study (or studied) at school? Write the names of the subjects in the box.

--

2. Work in pairs. Can you spell the names of your subjects in English? Write down the subjects your partner spells to you.

3. Ask three people about subjects they study (or studied). Write their answers in the boxes.

	Partner 1	Partner 2	Partner 3
What subjects do/did you study?			
Which subjects do/did you like best?			
Which subject is/was the most difficult?
