

■ Aims of the DVD and worksheets

- to tell you about the KET Speaking test
- to help you with ideas that will improve your speaking in the test
- to help you practise the language used in the different parts of the test.

■ Task One: Information about the KET Speaking test

Look at the sentences below. Some are right and some are wrong. You can find the answers on the Cambridge ESOL Candidate Support site:

http://www.candidates.cambridgeesol.org/cs/Help_with_exams/General_English/KET

Go to the Frequently Asked Questions (FAQs) pages of the KET Speaking part of the website and put a tick (✓) if the sentences are right, or a cross (✗) if they are wrong. The first one is done for you.
