Unit 8

A. Multiple choice

Holland

Holland has a northern climate, so depending on the time of year you're visiting, pack lighter or heavier clothes.

One thing people notice about Holland is the way young people dress. Their dress code is "anything goes," so it's not unusual to see some pretty wild clothes there!

Thailand

If you're visiting beautiful Thailand from May to September, pack for the heat.

Thailand is generally conservative when it comes to clothing, but at Thailand's magnificent temples, the rules about clothing, and especially shoes, are very strict.

B. Fill in

Conversation One

A: The store directory is right over there. What are you looking for?

B: A warm sweater for my husband.

Conversation Two

A: These pajamas aren't comfortable. They're too small.

B: Would you like me to get you a new pair when I go shopping?

Conversation Three

A: Those tights are a little wild for my taste.

B: Well, if you really don't like them, I'll take them back to the store.
