### Unit 7

#### A. Fill in

##### One

In 2009, I went on vacation to Hawaii. It was very relaxing and the weather was perfect. . . There were a few problems, though. First of all, our hotel room was very small. And the food in the hotel was terrible. Not only that, the waiters and waitresses were very unfriendly. I said "Excuse me" over and over again, but they never came to help me.

##### Two

Last summer, I visited my brother for a week. I took a train and the trip was very scenic. We did a lot of exciting things together that week. We went hiking in the mountains, and we went swimming in the ocean. I also learned how to play golf. The only problem I had with the trip was that it was way too short.

##### Three

In the summer of 2008, I went on a cruise to Alaska. The trip was very exciting, but the weather was a little cold. We watched movies in the ship's theater and we saw dolphins swimming in the ocean. There was a lot of food on the cruise, and it was really great. The service was terrific. Our waiters were very friendly, and the people in Alaska were friendly, too. We had a great time.
