**CONVERSATION STRATEGY: clarifying information**

Use these expressions when you want somebody to repeat or clarify something.

- Could you please repeat that?
- Could you say that again more slowly?
- How do you spell that?
- Could you write that for me?

**PRACTICE**

**Keep this paper handy, or write the expressions on an index card or small piece of paper and always have the list with you. Try to use them in your conversation on page 5 and other conversations.**
